

KeraVet® Gel

2024 NEW PRODUCT SPECIAL

BUY 4, GET 1 FREE

INTRODUCING NEW WOUND CARE PRODUCT KERAJET GEL!

Simplify wound care for veterinary teams and reduce the need for the E-collar.

KeraVet Gel offers simple, safe, and effective care for wounds ranging from the everyday surgical incision to more complex, topical lesions.

Improves outcomes

KeraVet Gel has been developed to provide a moist wound bed and absorb excess exudate to support better, faster healing.

Decreases licking

Fewer E-collars sent home! KeraVet Gel includes a bitterant shown to decrease licking behavior in dogs and cats by 85%+.

Streamlines care

Reduce complications by simplifying at-home care, saving the veterinary team time and money.

Clinically proven

Clinical studies show a significant reduction in chronic edema and inflammation in dogs and cats.
