

Malaseb®

Shampoo, Spray, and Flush

- Indicated for dogs, cats, and horses
- Antimicrobial, Antifungal
- Shampoo has a coat conditioner.
- Spray has essential fatty acids and Vitamin E to provide skin barrier support and hydration.

Indications

For support of healthy skin for animals with conditions responsive to miconazole and/or chlorhexidine.

Ingredients

2% Miconazole Nitrate, USP and 2% Chlorhexidine Gluconate, USP

Helps to manage a number of skin conditions due to susceptible bacteria, yeast and fungi.¹⁻⁵

Hair from dogs bathed with Malaseb® Shampoo was shown to continue killing both Staphylococcus pseudintermedius and Malassezia pachydermatis for up to 7 days post bathing.⁶
