Important Safety Information

FOR VETERINARY EUTHANASIA ONLY. POISON. Keep out of reach of children. This is a highly-toxic parenteral solution designed for rapid, painless and humane euthanasia of animals. If human exposure occurs, seek medical attention. Caution should be exercised to avoid contact with the drug or accidental self-injections. Must not be used for therapeutic purposes. Do not use in animals intended for food.

ENVIRONMENTAL HAZARD: This product is toxic to wildlife. Birds and mammals feeding on treated animals may be killed. Euthanized animals must be properly disposed of by deep burial, incineration, or other method in compliance with state and local laws, to prevent consumption of carcass material by scavenging wildlife.

To report suspected adverse drug events, for technical assistance or to obtain a copy of the Safety Data Sheet (SDS), contact Dechra at (866) 933-2472 or visit www.dechra-us.com.

CAUTION: Federal law restricts this drug to use by or on the order of a licensed veterinarian. Dechra is a registered trademark of Dechra Pharmaceuticals PLC. Euthaphen is a trademark of Dechra Veterinary Products, LLC. © 2023 Dechra Veterinary Products.
