ENGAUGE Hypodermic Needles

The ENGAUGE hypodermic needle line provides an additional quality product for cost-conscious customers and further expands our veterinary product portfolio to meet the needs of all veterinary professionals.

These products have no components made of natural rubber latex.

RX ONLY. The advertisement is directed to veterinarians only, and not to consumers. Refer to product labels and packaging insert for complete warnings, precautions, potential complications, and instructions for use. Products may not have regulatory approval in all countries. Please contact your local sales representative if you have questions about the availability of products in your area.

Terumo reserves the right to cancel promotion at any time.
