

ALL FUR ONE & ONE FUR ALL

UltiMed knows caring for a pet with diabetes requires a full support system that extends into the home. Our suite of diabetes care resources is now available and easily accessed by both you and your clients.

- › **NEW** Bilingual packaging to meet the demand of a multicultural marketplace
- › **NEW** Step-by-step teaching aids and instructional videos to help owners care for their pet with diabetes

We are committed to providing premium quality insulin syringes, diabetes care products and educational resources to you and your clients to help them manage their pet's diabetes with confidence.
